Downing have been making some use, its exceeding popularity does when the proposed Toledo or expect to get them as a densition. bas this to say of the proposed Toledo
and Columbus route:

The Columous and Toledo railroad
is one of the certainties of the near
future. True, there is much work to
be done before such an undertaking
can be brought to a successful end;
there will be much latent enterprise
to awaken and develop, and those
who have taken the lead in the matter cannot afford to be supine, in the
notion that the great importance of
notion that the great importance of
the company are willing to take the
road.

The Columous and Toledo railroad
is received. In reply I can only say
that if the Company get the bonds,
it will be by a contract between the
Company and the Trustees of the
Company and the Trustees of the
Company and the Trustees of the
Company and the road. The conter cannot afford to be supine, in the
notion that the great importance of
the road will naturally work its own
construction. Railroads are common
these days, but nevertheless they are
mighty supervises and roughs.

GINOUS ANGO A HUMPIG.

The Columbus route:

Or township bonds (if we get them)
or expect to get them as a donation,
is received. In reply I can only say
that if the Company set the bonds,
is received. In reply I can only say
